

WIDE FORMAT INKJET PLOTTER

The **Fastjet Lite** although called Lite is still Big on Performance but Lite on price. Industrial Design with Brushless Motors to provide extremely long life. Simple Paper take-up system, no front Dancer bars are required so the paper can be removed and re-set for the next marker in seconds. This unit uses the well proven HP45 Ink jet technology for sharp dark lines and low running costs.

The **Fastjet Lite** will accept paper widths from 90cm (36") to 180cm (72") and is also available in a 220cm (86") inch width and a smaller compact 90cm (36") unit.

Easy paper loading from the floor with a simple paper path, makes this unit a delight to work with.

DEVELOPED FOR THE LONG TERM FUTURE OF PLOTTING
